Requirements Drivers

Risk Assessment (Session 2) "Requirements Drivers"

- **Format: Collaborative decision making Time: 4 hrs**
- **Special Requirements: Ventanna®& ASOC**
- **Timing: Subsequent to Risk Assessment (Session 1);**
- **POC: Mr. Gary Blackwelder**
- **Description: During this session, the Team identifies requirement drivers in several broad areas: technical, schedule, financial, logistics, test, etc. Through the use of the Ventanna software, the Team's ideas are gathered and distilled into a few "top drivers: in each area. These drivers are used in the session as a framework for identifying risks.**
